Dear

You are invited to attend the 2025 Conference of Research Workers in Animal Diseases (CRWAD) January 18 – 21, 2025, in Chicago, Illinois. We invite you to attend the Conference to learn more about cutting-edge research on animal health and disease, population health, and translational medicine at one of the largest international conferences on these topics. In addition to lectures from world-renowned featured speakers and sessions on current topics, CRWAD 2025 will showcase over 600 research presentations made by scientific experts and scientists-in-training from around the world.

Please register for the meeting on the Conference website at [www.crwad.org](http://www.crwad.org). You will also find the link for the Chicago Marriott- Downtown Magnificent Mile to reserve a hotel room at our conference rate. We appreciate you staying at the Conference hotel to help keep the registration fee for the Conference as low as possible and to allow you easy access to all the Conference sessions.

If you wish to submit an abstract for consideration to be presented at the Conference, you can find information on the requirements and deadlines for submitting an abstract on the Conference website.

We look forward to having you join us in Chicago for CRWAD 2025! If you require further assistance registering for the Conference or have questions about the Conference, please contact my office.

Sincerely,

Jennifer L. Stalley  
Conference Coordinator  
CRWAD 2024
